

1) What's something you've done in your life that you immediately regretted? Did you try to make it right?

Read Revelation 12:1-6

2) What are the woman, child and serpent supposed to represent?

3) Verse 5 is describing a specific period of time in history, what is it?

Read Revelation 12:7-12

4) Verse 10 describes how the dragon/serpent attacks believers, what is his main form of attack? How do you think a Christian would experience this today?

5) Verse 11 tells us how believers will conquer the beast, how will they do this? What is the significance of these 3 things?

6) How would you define spiritual warfare? How do you think people have distorted the concept of spiritual warfare? Why is it a mistake to focus more on the enemy than on God himself during these battles?

7) How does understanding spiritual warfare help us to avoid fighting the wrong battles in life?

8) What would it look like for you to use the weapons from verse 11 in your own life in the midst of spiritual battles?

9) Why do you think God chose to reveal what's going on "behind the scenes" here in this chapter? What does he want us to do with this info?

10) Spend some time praying as a group.
