

**Read Revelation 8:1-5**

- 1) When you are at home do you prefer silence or some kind of noise in the background?
- 2) What are the altar and the incense supposed to teach us about prayer?
- 3) What circumstances are most likely to cause you to pray?
- 4) What is the most challenging thing about prayer for you?

**Read Revelation 8:6-13**

- 5) When is this judgement supposed to occur? In the past? The present? The future?
- 6) These trumpets show us God's judgement from the perspective of a specific group of people. What group?
- 7) These judgements are symbolic and not literal. How does the genre of a book of the Bible dictate how we interpret it? Can you give an example of how people have incorrectly interpreted something in the Bible because they didn't understand this?

**Read Revelation 19:20-21**

- 8) Why does God bring this judgement and warning of destruction knowing that it won't cause people to repent? What does that say about his sense of justice?
- 9) How do these chapters help us "remain faithful until the end" which is the main challenge to the church in Revelation?
- 10) Spend some time as a group praying for our world and those who don't know God. Ask that God would break your heart for these people.
