

Intro: Spend some time catching up. Share a high and a low from the last couple of weeks.

Read Revelation 7

- 1) When you read this passage, what comes to your mind first?
- 2) What does God placing his seal on the foreheads of the faithful symbolize?
- 3) The passage is clear that salvation belongs to God and the Lamb. Are there areas of your life where you tend to think that salvation belongs to you, or that salvation just isn't possible?
- 4) What do you think of the phrase "Good theology should lead to doxology (worship)." How have the things you have learned *about* God led you to worship him more fully?
- 5) The answer to the question "Is everything sad going to come untrue?" is a resounding "Yes." How does that fact hit you?
- 6) How does Jesus restoring all things in the end bring you hope today?

Close: Close in prayer for one another.
